

THE CHRISTIAN, LUCIFER AND FREEMASONRY - Evans Nicholson, Choosing Truth Ministries www.ctmin.org

To understand the relationship existing between Lucifer and Freemasonry, we seek out Masonic authorities to see what they have to say. Manly P. Hall, 33 degree Mason, referred to as one of Freemasonry's greatest philosophers, is one of those highly esteemed authorities. Using his book, The Lost Keys of Freemasonry, we are able to obtain some concise information available to every Mason.

Freemasonry is not a Christian organization.

On page 65 Manly Hall states;

The true Mason is not creed-bound. He realizes with the divine illumination of his lodge that as a Mason his religion must be universal: Christ, Buddha or Mohammed, the name means little, for he recognizes only the light and not the bearer. He worships at every shrine, bows before every altar, whether in temple, mosque or cathedral, realizing with his truer understanding the oneness of all spiritual truth.

On page 162 of Encyclopedia of Freemasonry, by Dr. Albert Mackey, 33 degree Mason, we are told;

Freemasonry is not Christianity, nor a substitute for it. It does not meddle with sectarian creeds or doctrines, but teaches fundamental religious truth.

With that having been said, Dr. Mackey gives the following directive on page 404 of the Lexicon of Freemasonry;

A Christian Mason is not permitted to introduce his own peculiar opinions with regards to Christ's mediatorial office into the lodge.

If Jesus is only an opinion with so little regard to the Masonic fraternity, why do so many Christians bind themselves into covenant relationship with the god of Freemasonry, referred to as the Great Architect of the Universe?

Freemasonry is a secret society, especially to its own members.

As a secret society it deliberately conceals the truth not only to outsiders but to those in the lower degrees and other members outside of the leadership. Albert Pike, 33 degree Mason, father of the modern Scottish Rite, is so revered that his mortal remains are buried in the walls of the Masonic Temple in Washington, DC through an act of Congress. In his book, Morals and Dogma on page 819 he states;

The Blue Degrees are but the outer court or portico of the Temple. Part of the symbols are displayed there to the Initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them; but it is intended that he shall imagine he understands them. Their true explication is reserved for the Adepts, the Princes of Masonry.

The Blue Degrees being the first three degrees while the Adepts are those Masons of the 30, 31, 32 and 33 degrees. So while Christians in the Masonic lodge believe they are serving God, they are in fact serving something else.

Lucifer, the Great Architect of the Universe.

Manly Hall states on page 48 of, The Lost Keys of Freemasonry;

When the Mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mystery of his Craft. The seething energies of Lucifer are in his hands and before he may step onward and upward, he must prove his ability to properly apply energy.

Albert Pike states on page 321 of, Morals and Dogma;

Lucifer, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable blinds feeble, sensual, or selfish Souls? Doubt it not!

Freemasonry is Luciferian. Masons seek more light with each ascending degree proud to have the light and energies of Lucifer flowing through them. "For Satan himself transforms himself into an angel of light". 2 Corinthians 11:14

Are Masons prepared to meet Jesus?

Will the Christian filled with the light of Lucifer meet a forgiving God?
