

## **NEW LIFE SPRINGS FORTH IN US**

Bill Ferguson - March 15, 2003

New Life, I'm bringing forth New Life in each of you as you spend time with me you will begin to sense and know that New Life is springing up in you. Just like the flowers of the field that are springing up with new growth, slowly at first then more rapidly as the sun warms up the earth and the air around them, so you will be. Slowly at first as you establish new roots and become more familiar with the warmth and power of My Word, the touch of My hand and wind of My breath. As each of you steps up to the next new stage or level I have planned for you, you will see the new growth, fresh perfume from the fragrance of the new blossoms – new levels of relationship with me and experiencing more of My Glory, new challenges, new revelations – and so much more.

You will also experience a multiplying with the giftings I have given you, just as the nesting birds produce their young and increase in their beautiful singing. As you experience this multiplying or prospering, I want you to be so aware that was all a part of My plan from the beginning. That is giving Me Glory – you will be experiencing My Glory with your sight, your hearing, your touch, your smelling as you breath in the wind of My breath. Then you will feel My warm rain needed for this new growth – the rain of My Spirit. Just as surely as new life springs up this time of year, so there is New Life for you as you step up to this new step or level. This new life comes with new revelations of My Word, new and greater understanding of My love for your fellow man, and a willingness to cast out pride and grow into this New Life and greater anointings.

This New Life, New Season, New Excitement and New prosperity is very exciting and will prepare you for what I have for you next. Each step up with me becomes more exciting and more challenging. Remember that your enemy would always try to discourage you and tell you it is not possible to make it up to the next level. I just remind you that I shall never leave you nor forsake you. So you and I together are a winning team. Are you up for the new challenges? If yes, then step out now and begin to receive and take what is in store for you.

When you feel unsure or discouraged or don't understand, get on the hot line to Heaven and discuss it with Me. I challenge you to come with Me to this New Life stage. You will be so glad you did.
